tonalidade original: MI maior

INTRO: A Em G9 D (RIFF1)

A Em G9 D A Em G9 D
'Cause it's a bitter sweet symphony, this life..

A Em
Try to make ends meet,

G9 D A Em G9 D
you're a slave to money then you die..

A Em
I'll take you down the only
G9 D A Em G9 D
road I've ever been down..

A Em
You know the one that takes you
G9 D A Em G9 D
to the places where all the veins meet, yeah

A (RIFF1 simile) Em G9 D
No change, I can change, I can change, I can change
A Em G9 D
But I'm here in my mold, I am here in my mold
A Em
But I'm a million different people,
G9 D
from one day to the next
A Em G9 D
I can't change my mold, no, no, no, no, no...

A **Em**
Well I never pray,
G9 **D** **A** **Em** **G9** **D**
but tonight I'm on my knees yeah
A **Em**
I need to hear some sounds
G9 **D** **A** **Em** **G9** **D**
that recognize the pain in me, yeah
A **Em**
I let the melody shine,
G9 **D** **A** **Em** **G9** **D**
let it cleanse my mind, I feel free now
A **Em**
But the airways are clean
G9 **D** **A** **Em** **G9** **D**
and there's nobody singing to me now
